

CONSTRUCTION CONCERNING THE RIGHT OF WITHDRAWAL

Right of withdrawal

You have the right to withdraw from this contract within two weeks without indicating any reasons. The right of revocation amounts to two weeks (fourteen days) from the day of the conclusion of the contract.

To exercise your right of revocation you must inform us, more precisely, the company MDCC GmbH, Weitlingstraße 22, 39104 Magdeburg, fax: 0391 / 587 40 01, e-mail: service@mdcc.de by means of an unequivocal explanation (for example, by a letter, sent by mail, fax, or E-Mail) about your decision to withdraw from this contract. For this reason, you can use the attached model withdrawal form. However, this form is not binding.

To observe the revocation period, it is sufficient to send the communication about the right of withdrawal before the period of revocation expires.

Consequences of the withdrawal

If you withdraw from this contract, we are obliged to reimburse you all payments immediately and, at the latest, within fourteen days from the day of communication about your withdrawal from this contract has reached us. These payments include the delivery costs with the exception of the additional costs that will result because you have chosen a different kind of delivery and not the most advantageous standard delivery offered by us.

You must return to us or hand over to us the goods which you have received and, in any case, at the latest, within a period of two weeks from the day you inform us about your revocation of the contract. The time limit will have been observed if you send us the goods before the time limit of two weeks expires. You shall only be liable for any diminished value of the goods resulting from the handling other than what is necessary to ascertain the nature, characteristics, and functioning of the goods.

If you have demanded that the services should start during the time limit of revocation, you must pay us an appropriate amount which corresponds to the proportion of the services already rendered until the time you have informed us about your exercise of the right of revocation in comparison to the total volume of the services provided for in the contract.
